EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to assist shareholders of the Company (**Shareholders**) in considering the Resolution set out in the Company's *Notice of Extraordinary General Meeting*. This Explanatory Memorandum forms part of the Company's Notice of Extraordinary General Meeting to be held at **10:00am (Sydney time) on Thursday, 1 October 2020**.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote upon the Resolutions. The Company's Notice of Extraordinary General Meeting and this Explanatory Memorandum should be read in their entirety and in conjunction with each other.

The Directors unanimously recommend that Shareholders vote in favour of the Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

The Resolutions are ordinary resolutions, which require that a simple majority of votes cast by Shareholders present and entitled to vote on each resolution must be in favour of the relevant Resolution.

BACKGROUND TO THE ITEMS OF BUSINESS

ORDINARY BUSINESS

Resolution 1 Ratification of Prior Issue of Tranche 1 Shares

As announced on Monday, 10 August 2020, the Company successfully completed a placement of a total of 123,776,228 fully paid ordinary shares in Xanadu Mines (**Shares**) to existing shareholders and new sophisticated and professional investors at an issue price of 4.5 cents per Share raising a total of \$5,569,930 (**Tranche 1 Shares**). In addition to the issue of the Tranche 1 Shares, the Company also announced at the same time that it would undertake a further placement of up to 142,890,439 Shares to existing shareholders and new sophisticated and professional investors on the same terms raising a further \$6,430,070, subject to shareholder approval (which is the subject of Resolution 2). The issue of the Tranche 1 Shares and the Tranche 2 Shares will raise \$12,000,000 in total (before costs).

ASX Listing Rule 7.1 prohibits the Company (subject to certain exceptions such as pro-rata issues) from issuing or agreeing to issue equity securities (such as Shares and Options) representing more than 15% of the Company's total issued securities, during a rolling 12-month period, without Shareholder approval (**15% Threshold**).

ASX Listing Rule 7.4 provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with Shareholder approval for the purpose of ASX Listing Rule 7.1. The issue of Tranche 1 Shares does not fall within any of the exceptions under Listing Rule 7.2.

The Tranche 1 Shares were issued within the 15% Threshold permitted under ASX Listing Rule 7.1 without Shareholder approval. Accordingly, the Company is seeking approval of Resolution 1 for the purposes of ASX Listing Rule 7.4, to enable the Company to refresh its issuing capacity under ASX Listing Rule 7.1, thereby providing the Company with the flexibility to issue equity securities in the future up to the 15% Threshold set out in ASX Listing Rule 7.1, without the requirement to obtain prior Shareholder approval if the need arises in the next 12 months.

If Shareholders approve Resolution 1, the issue will be excluded in calculating Xanadu Mines' 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue of the Shares.

If Shareholders do not approve Resolution 1, the issue will be included in calculating Xanadu Mines' 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the issue of the Shares.

For the purposes of ASX Listing Rule 7.4, the following information is provided:

- a) 123,776,228 fully paid ordinary shares (**Tranche 1 Shares**) were issued on 18 August 2020 at a price of 4.5 cents per Share and rank equally with all other existing Shares.

- b) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- c) the Shares were issued to existing shareholders and new sophisticated and professional investors (**Placement Participants**) identified by Argonaut Securities Pty Limited and CLSA Australia Pty Ltd as Joint Lead Managers (**JLMs**), through a book-build process which involved the JLMs undertaking a comprehensive marketing process and seeking expressions of interest to participate in the placement from non-related parties of the Company. None of the Placement Participants are a related party of the Company, a member of the Company's key management personnel, a substantial holder in or an advisor to the Company or an associate of any of them other than as noted in (d) below;
- d) the following existing significant substantial shareholders participated in the Tranche 1 Placement and were issued more than 1% of the Company's then current issued capital (this also details, the number and percentage of shares purchased by them under Tranche 1:
 - i) ACA Capital and Advisers Pte Ltd: 25,528,627 Tranche 1 Shares (comprising 20.62% of the Tranche 1 Shares);
 - ii) SSI Asset Management AG: 11,748,947 Tranche 1 Shares (comprising 9.86% of the Tranche 1 Shares)
- e) the funds raised from the issue of the Tranche 1 Shares will be used towards the Kharmagtai exploration drilling & resource definition drilling program in accordance with Xanadu's published strategy, working capital purposes and costs of the issue;
- f) the Shares were issued pursuant to Xanadu Mines' 15% placement capacity in accordance with ASX Listing Rule 7.1; and
- g) a Voting Exclusion Statement accompanies Resolution 1 in the Notice of Meeting.

The Directors unanimously recommend Shareholders vote in favour of Resolution 1

Resolution 2 Approval of Issue of Tranche 2 Shares

As announced on Monday, 10 August 2020, in addition to the issue of the Tranche 1 Shares the Company will undertake a further placement of up to 142,890,439 Shares to existing shareholders and new sophisticated and professional investors at an issue price of 4.5 cents per Share raising a total of \$6,430,070 (**Tranche 2 Shares**), subject to shareholder approval.

ASX Listing Rule 7.1 prohibits the Company (subject to certain exceptions such as pro-rata issues) from issuing or agreeing to issue equity securities (such as Shares and Options) representing more than 15% of the Company's total issued securities, during a rolling 12-month period, without Shareholder approval (**15% Threshold**). At the time of agreeing to issue the Tranche 2 Placement Shares, Xanadu Mines had fully utilised its 15% Threshold (due to the issue of the Tranche 1 Shares) and as such, the issue of the Tranche 2 Shares is conditional upon shareholder approval. The issue of Tranche 2 Shares does not fall within any of the exceptions under Listing Rule 7.2.

If Shareholders approve Resolution 2, the issue of the Tranche 2 Shares will be able to take place and will also be excluded from the calculation of Xanadu Mines' 15% limit in ASX Listing Rule 7.1, maintaining the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue of the Tranche 2 Shares.

If Shareholders do not approve Resolution 2, Xanadu Mines will not be able to issue the Tranche 2 Shares and as such will not raise the additional \$6,430,070 in funds (before costs).

For the purposes of ASX Listing Rule 7.3, the following information is provided:

- a) the Tranche 2 Shares will be issued to existing shareholders and new sophisticated and professional investors identified by the JLMs through a book-build process which involved the JLMs undertaking a comprehensive marketing process and seeking expressions of interest to participate in the placement from non-related parties of the Company. None of the Placement Participants are a related party of the Company, a member of the Company's key management personnel, a substantial holder in or an advisor to the Company or an associate of any of them other than as noted in (d) below;

- b) the maximum number of Shares that may be issued is 142,890,439;
- c) the Tranche 2 Shares will be fully paid ordinary shares issued at a price of 4.5 cents per Share and will rank equally with all other existing Shares;
- d) the following existing substantial shareholders will participate in the Tranche 2 Placement and will be issued more than 1% of the Company's current issued capital (this also details the number and percentage of shares to be purchased by them under Tranche 2:
 - i) ACA Capital and Advisers Pte Ltd: 29,470,900 Tranche 2 Shares (comprising 20.62% of the Tranche 2 Shares);
 - ii) SSI Asset Management AG: 13,563,284 Tranche 2 Shares (comprising 9.86% of the Tranche 2 Shares);
- e) the Tranche 2 Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that the issue of the Shares will occur on or about Friday, 9 October 2020;
- f) the funds raised from the issue of the Tranche 2 Shares will be used towards the Kharmagtai exploration drilling & resource definition drilling program in accordance with Xanadu's published strategy, working capital purposes and costs of the issue; and
- g) a Voting Exclusion Statement accompanies Resolution 2 in the Notice of Meeting.

The Directors unanimously recommend Shareholders vote in favour of Resolution 2
